Dear Ms. Tascarella:

Confirming our telephone conversation of November 20, 1980, we acknowledge receipt of EPA's Acknowledgement of Notification of Hazardous Waste Activity for our Linden Warehouse facility.

The EPA I.D. Number for the Linden facility on the acknowledgement is NJT 350010229. This number is different than that originally received with the notification package. The number received with the notification package and which we used for both the notification and submission of the permit application was NJT 000027912.

Pursuant to your instructions, we will use the I.D. Number NJT 350010229 on all future manifests and correspondence.

Please contact us at (201) 862-6000 if there are any questions.

Sincerely yours,
